

Jesus Healed all the Sick

Everyone who wanted healing from Jesus was healed. Yep, that's right - all people - 100%!

There are four very important things about sickness and divine healing that you must understand:

1. Jesus never made a single person sick (not even one).
2. Jesus healed all who wanted to be healed (He never denied anyone healing).
3. Jesus instructed and empowered His disciples to also heal all the sick.
4. Jesus never changes and is still the same compassionate healer.

Matthew 9:35

“ And Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom, and **healing every sickness and every disease among the people.**”

Luke 6:19

“ Everyone tried to touch him, because healing power went out from him, and **he healed everyone.**”

Matthew 8:14-16

“ When Jesus arrived at Peter's house, He saw Peter's mother-in-law sick in bed with a fever. So He touched her hand, and the fever left her, and she got up and began to serve them. When evening came, many who were demon-possessed were brought to Jesus, and **He drove out the spirits with a word and healed all the sick.**”

Luke 9:1

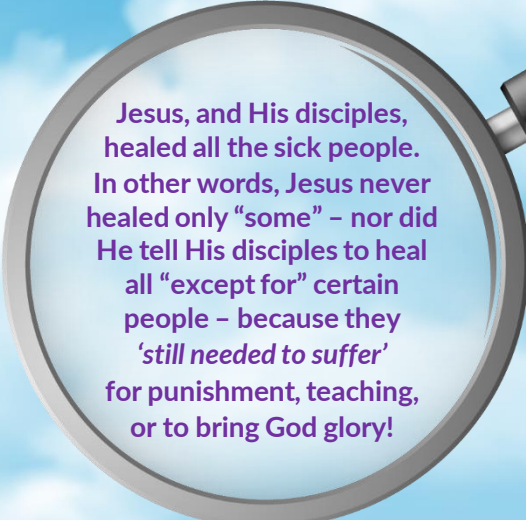

“ One day Jesus called together his twelve disciples and gave them power and authority to cast out all demons and **to heal all diseases.**”

Acts 5:16

“ Crowds came from the villages around Jerusalem, bringing their sick and those possessed by evil spirits, and **they were all healed.**”

Hebrews 13:8

“ Jesus Christ is the same yesterday, today, and forever.”

Jesus, and His disciples, healed all the sick people. In other words, Jesus never healed only “some” – nor did He tell His disciples to heal all “except for” certain people – because they ‘still needed to suffer’ for punishment, teaching, or to bring God glory!

Matthew 12:15

“ Aware of this, Jesus withdrew from that place. A large crowd followed him and **he healed all who were ill.**”
